

Depden Parish Council Footpath Report

March 11th - 2023

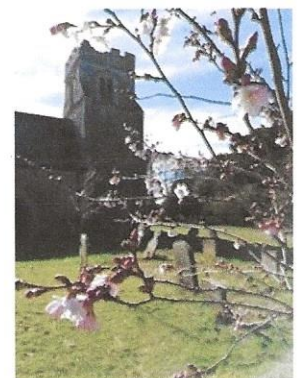

Footpath 1: (A143 through to Depden Green)

This Footpath is all clear and well maintained with no issues right through to Depden Green. Starts off from the A143 over a footbridge onto a concrete roadway followed by a Grassy track towards the Village Green

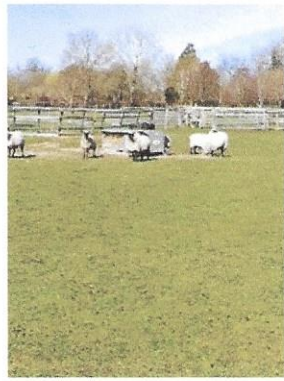

Footpath 2: (Footpath from old A143 road up to Church)

Footpath up to the church is all clear all the way up to the Church, well maintained although can be muddy in places after a rainfall. Cherry trees are starting to bloom.

Footpath 3: (From A143 road behind Rookery Farm, across field Joining Footpath 1 at Depden Hall)

This footpath is in good condition across an open meadow and farmland with clearly signposted footpaths which are easy to follow. Slippery in places when wet.

Footpath 4: (From near the Church, across the field joining Footpath 1 at Depden Hall)

A short stretch of footpath from near the church with a well signposted footpath across farmland heading towards the Village Green Good views all around.

Footpath 5: (From Beech Hall behind Highweek joining Footpath 3)

Starting from old A143 near to Beech Hall passing behind the Garden centre and joining footpath 1 This footpath is in good condition and clearly signposted.
