Subject: report

Good afternoon

Here is the report ahead of this evenings meeting.

There was one crime since the previous meeting and that is Criminal damage to a motor vehicle. This happened between the 28th and 29th April. Paint has been thrown over a car which was parked in a residential area.

We are asking people to remain vigilant in the fight against burglars/suspicious visitors/vehicles and goings on. This seems to be the most common offence at the moment and unfortunately people are still becoming victims. Please pass the word around so people are aware and report anything suspicious to the police however trivial it may seem.

PCSO Anthony Welford is on duty this evening but I am unable to guarantee his attendance due to the nature of our role.

Please accept our apologies if he is unable to come along.

Best regards

Claire Ross

Subject: RE: Depden Parish Council

Dear Susan

Please accept my apologies I have two annual parish meetings to attend.

Here is a short report

I have been in touch with Tom Nunn, from West Areas Highways, re the concerns raised at the APM about the speed related accidents on the A143 in Depden around the Elms Farm junction. He is arranging for a road safety engineer to visit the site and discuss possible measures to address the problems. I also passed on to Tom the suggestion raised more recently about installing Depden village signs on the verge of the A143 to underline to motorists that they are driving through a community where people live, work and shop! Tom is also prepared to come out and meet local residents and the parish council to discuss options- when I have a proposed date I will let you know.

Best wishes

Mary
