

Dear Susan,

I will not be able to attend tonight please accept my apologies I have a volatile dog noise problem which I have been asked to be involved in and we are meeting the dog owner at 8.15.

I have made my report as follows

1. Kellys Meadow, Work will start shortly on the site I am very hopeful that this will be acceptable to all as we have tied this up as tightly as possible.
2. Boundary changes are now available to view.
3. I have £200 to give you please let me know what you would like to spend it on.
4. I will sadly not be standing again as a BC in May.

Very Best Regards

Clive.

VAS Summary Depden July 2018
